No. 22.—The following resolution of the Government of India is published:—
DEPARTMENT OF COMMERCE AND INDUSTRY.

NOTIFICATION.

Dated, the 12th April 1915.

No. 4803-1024-W

The Government of India have been in close and constant communication with the Secretary of State regarding the procedure to be adopted in regulating merchant vessels for German and Swiss cargoes in connection with the war; the rules of law to be put; and the liability for shipping charges, revenue connected with the war; the rules regarding the rates of fare and outstanding claims and other party claims. A final decision regarding the rates of fare and outstanding claims will not be arrived at pending the receipt of the Admiralty Transport Directorate. Recent war-time matters' Reports and the orders of the Admiralty Courts. These have now been received and were

recommended to Chambers of Commerce forwarded in the letter to His Department No. 2898-2972-W, dated the 16th March 1915. As intimated in that letter, vessels registered in India as of before the 31st December 1914 will be paid for at the rate of time fixed in terms of the Charter Party covering the registration. The amount of vessels taken up as at after the 1st of January 1915 will receive an advance of Rs. 50 per ton per month, and their claims in regard to these vessels will be duly adjusted in consultation with the Secretary of State as soon as the Admiralty have decided what rates will be paid for ships registered in the United Kingdom after the 31st December 1914. The Secretary of State has been asked to provide Government of India the earliest possible intimation of the rates finally accepted for such vessels.

2. In the aforesaid it is suggested that many claims other than those which have reference to the rate of time will require satisfying in respect of registered vessels. As the Government of India intended in its letter of the 16th March 1915 to Chambers of Commerce, they have now decided to appoint a Committee to examine such claims. It will consist of—

R. F. HENNINGSEN, Esq., J.A.S., President,
The Hon'ble Mr. H. L. SCANDRUP, Esq., J.C.S.,
Major E. M. FRASER, J.A.S. } Members.

The Committee will fix the principal points from which vessels have been registered, and in conducting their enquiries they will be assisted by the advice of two non-official representatives of commercial circles, nominated by the Chamber of Commerce of each port.

The non-official members nominated by the various Chambers of Commerce are—

Bombay	Mahomed N. Hany, Esq., of Messrs. Forbes, Campbell and Co. J. H. Freeman, Esq., Esq., of Messrs. J. and G. S. S. Company.
Kanachi	W. L. Nicholas, Esq.
Madras	Stephen Fraser, Esq., Chairman, Madras Chamber of Commerce. C. B. Sampson, Esq.
Calcutta	Wm. M. F. H. Stewart, Esq., Bengal Chamber of Commerce. Archibald Baskin, Esq.
Burma	E. C. Anderson, Esq., Manager, Malacca Brothers and Co., Ltd. E. J. J. Edlin, Manager, Archibald and Co.

3. The terms of reference to the Committee are as follows—

(a) That preliminary duty will be, with the assistance of the members at each port visited, to examine subsidiary claims arising in connection with the registration of vessels for Government service. These claims fall generally under three heads—

(1) cost of fitting the ship where this cost has been met by the owner;

(2) claims in connection with the removal of cargo already landed when the ship was requisitioned;

(3) such other subsidiary claims as may be brought forward for examination.

(b) In any cases upon these claims the Committee are desired firstly, to classify them, so far as they can conveniently be done, secondly, to indicate their recommendations regarding the adjustment of claims, either individually or by classes; and, thirdly, to report whether their recommendations have or have not received the consent of the elements, and how far they are supported by documentary evidence.

(c) The Committee will further report whether there are any claims still outstanding for the list of ships already registered and submit proposals where necessary for their settlement on the basis laid down in paragraph 1 of the Resolution.

4. The Government of India have recently received information from the Secretary of State for India in his telegram dated the 16th April, that His Majesty's Government have decided that in no case will third party claims be admitted. In case of these instructions, the Committee will consider only such claims as are put forward on behalf of ship owners or their representatives, and the examination of claims arising out of third party commitments must be definitely excluded from the scope of the enquiry.

5. Maritime and Government are requested to give all necessary assistance to the Committee and to the non-official members, and also to pursue interested in placing their claims before the Committee.

A. RUTHERFORD,
Chief Secretary.

SUPPLY AND TRANSPORT NOTICE No. 18 (TEA).

Orders for tea by letter or telegram for the supply of Indian green black tea required to be delivered between the 15th August and 15th October 1915 will be received by the Deputy Assistant Director of Supplies, 9th Division, Ootacamund, up to 12 noon on Wednesday, the 9th June 1916.

2. Offers should specify in words as well as in figures the rates at which the tea will be delivered. Fractional parts of pice in rates cannot be accepted. Rates should be quoted as so much per pound or per 100 pounds with full particulars regarding terms of delivery. Offers must be fully signed and dated. Offers by letter should be sent in a sealed or registered cover addressed (under for the supply of tea) and addressed to the Deputy Assistant Director of Supplies, 9th Division, Ootacamund, and not in any other by name.

3. Offers will be opened at this office at 12 noon on Wednesday, the 9th June 1916. Offers sent by post should be despatched so as to reach this office the day previous to opening of tenders as registered letters are not delivered in Ootacamund before 1-30 p.m.

4. Tenderers are respectfully requested to give their address in full and also their telegraphic code address if any. These should also be quoted in all correspondence.

5. Conditions should be for delivery either in Bagration Army boxes as specified in paragraph 7, or for delivery in ordinary commercial chests (see paragraph 8), and should also be for delivery (a) for the various quantities specified F.O.B. at the several stations concerned or (b) for the total requirements delivered (1) F.O.B., Madras, (2) at the Supply Reserve Depot, Madras, or (3) F.O.B. at any convenient place the tenderer may select. Should any tenderer fail to specify the place of delivery it will be taken to mean that the offer is for delivery at the Supply Depot of each station of requirements.

6. No earnest money is required, but the successful tenderer will be required to execute the usual inland agreement or contract dated on 1st F.B. 1915 or 2120 and 2121 with or without a security deposit as may be necessary.

7. The following special conditions will be included in the agreement for the supply of tea in Bagration boxes:—

"The tea shall be equal to the Supply and Transport sample (which may be seen by the tenderer at the Supply Reserve Depot, the Bench, Madras, or at the nearest Supply and Transport Base Depot, &c., at any one of these named places) and free from undue proportion of dust tea and shall be contained in strong serricorin boxes (not set of annual or cotton waste lined with sheet lead will be used) and in merchantable condition and the lid of the boxes shall be securely sealed down and not secured. A uniform quantity of 50 lb. tea should be contained in each box which will be allowed to shape and according to the sealed weight which the tenderer can inspect in the Supply Reserve Depot, the Bench, Madras, or in any Supply and Transport Base Depot, assuming outside 2' 2" x 1' 11" x 17" and weighing with sheet lead not more than 50 lb. 4 cwt. (sheet lead 4 lb. 4 cwt. and box about 25 lb.). The total weight of each box with tea is then not to exceed 74 lb. 4 cwt., viz., box with sheet lead should weigh about 24 lb. 4 cwt. and tea 50 lb."

Each box should be branded thus:—

Boxes (insert year to be inserted).
Indian Black tea.
Net weight, 50 lb.
Gross weight (to be inserted).
From (insert name to be inserted).

"The weight of each box with lead fill will not be slightly in excess, but variations in the aggregate weight of the lot including lead should not exceed 5 lb. for lots over 25 lb. more or 4 lb. less may be accepted. Empty tea chests and lead will become the property of Government."

8. Alternative rates may also be quoted for a similar quantity of tea packed in second and thoroughly serviceable tin chests of ordinary commercial pattern, 50 lb. boxes by 20 lb. instead of in the Bagration Army boxes above described, but it should be clearly specified in the offer what style of packing is tendered for. These commercial boxes should also be marked as per paragraph 7 above.

9. The approval or rejection of offers rests with the General Officer Commanding, 9th Division, who reserves to himself the right of accepting any offer or any part in a tender, or a portion thereof, without giving assignment. The latter tender need not necessarily be accepted. As a rule only successful tenders are informed by telegram of the result of their offer. No notice can be given of rejection from unsuccessful tenderers for information by telegram unless the cost of such telegram is prepaid.

10. All consignments deliverable free on rails in fullment of the contract should be despatched at the ordinary public tariff rates and not at the Military tariff rates. Further it is not incumbent on contractors to seek their supplies to a Government official as has previously been the case.

11. A 5 lb. average tea pound sample of tea should be sent to this office a week before the tenders are opened.

12. Any further information required may be obtained on application to this office between the hours of 11 a.m. and 5 p.m. (Sundays and holidays excepted).
